

Whos That Sleeping in My Bed?: The Art of Sex and Successful Relationships for Baby Boomers

Sex and relationships advice for baby boomers - the new sexy generation. Being over 50 is, thankfully, not what it used to be: it does not mean giving up on sex and love. And the baby boomers - heirs to the sexual revolution of the sixties - approach sex and relationships in a very different way to previous generations, continuing to want to be vital and sexual and encountering new options and new problems. Keren Smedley has been asked every question you could imagine - and some you couldn't - about the relationship issues of today's baby boomer. **WHOS THAT SLEEPING IN MY BED?** addresses a huge range of questions and answers them wisely and wittily.
