

Girls Watch Too! Female Fascination with Porn: Why You Should Care and What You Can Do About It

Do you think you're alone when it comes to being fascinated with pornography? You're not. Dana Brown Smith is standing proudly next to you. She's made the journey through fascination with porn. She did it consciously and deliberately and what she learned can assist you, whether you're just feeling guilty (she'll assure you that's not necessary), or you're feeling trapped.
