

## Wobbles: An Olympic Story

Literary Nonfiction. Memoir. **WOBBLER** spans the physical, psychological and spiritual growth of an athlete from childhood into her stature as a fierce, Olympic competitor. When Nadine Neumann decides that she wants to be an Olympic swimmer at age eight, she trades a normal life of school friends and parties for the rigors of elite sports training. With acute honesty, wisdom and humour, Nadine spins readers through the heartaches and loneliness of a different kind of adolescence. Enduring and overcoming Chronic Fatigue Syndrome, a life-threatening accident and imposed breaks from her passion, Nadine pursues her dream as only an Olympian can--with the rarest of intensity and focus. Sweeping from Perth to Germany, India to Sydney, Brisbane to Hong Kong, the reader is invited along this journey of a remarkable young woman who stops at nothing to achieve her goals.
